Bouillons

The secret to any great dish is in its stock.

Beef Bouillon

A full-flavoured, clear stock that is excellent for enhancing the taste of stocks made from scratch, soups, stews, sauces and gravies. Also ideal for rice dishes such as pilaf rice and risotto.

Chicken Bouillon

A well-rounded clear stock that subtly underlines the flavour of innumerable chicken dishes including cream soups, clear soups, veloutés, stews as well as Asian specialties. This stock is a convenient base for cooking rice dishes, especially risotto.

Vegetable Bouillon

A perfectly balanced clear stock that brings out the delicate characteristics of any vegetable dish. Ideal also for potato and rice dishes as well as pasta. The superb base and seasoning for cream and clear soups, cream sauces, veloutés, gravies and many other dishes.

Fish Bouillon

A superb base for fish and various seafood dishes, this versatile stock can be used to season and strengthen the flavour of fish stocks made from scratch, fish soups, chowders, creamy sauces, fish entrées, as well as other seafood specialties.

Ham Bouillon

A distinctive full-flavoured clear stock that gently underlines the taste of innumerable dishes. An excellent flavour-enhancing base for stews, meat pies, sauces and gravies.

Lamb Bouillon

A subtle yet well-rounded clear stock that adds flavour to various traditional and oriental meat and vegetable dishes.

Oriental Style Bouillon

A new taste among the range of bouillons. This clear stock adds a fresh and oriental touch to many kinds of vegetable and meat dishes. As a seasoning, it substitutes a wide variety of spices which are usually not found in a western cuisine.
