

Choose natural Swiss premium quality

Haco swiss

The HACO Touch - Consistent Natural Premium Quality

For over 80 years, HACO has carefully perfected its manufacturing process of preserving and blending the delicate aromas and flavours of food ingredients to create products with excellent taste, perfect convenience and the finest quality.

Our foodservice products are a natural choice and do not contain MSG, hydrogenated fats, trans fats, preservatives, artificial flavours or artificial colouring.

The nutritional value of HACO products is of the highest international standards, making it the natural choice of food service professionals the world over.

The HACO Brand - In True Swiss Foodservice Tradition

Based in Switzerland, HACO is a leading manufacturer of dry blended premium convenience products and instant coffees catering to the needs of major foodservice business all over the world, from hotels, restaurants and catering companies to airline caterers and ship chandlers.

The HACO Service Culture - Swiss Heritage Par Excellence

At HACO, we pride ourselves in being more than just a manufacturer of premium convenience products for the foodservice industry. We are also a trusted customer-oriented company working closely with our distribution partners and professional chefs to provide technical support and to continuously introduce exciting new products to the market.
